CHAIRPERSON'S REPORT 2018

2018 saw Ireland play its first Test match as it entered into its new role as a Full Member with ICC. Many of us travelled from Munster to witness the game and, with the unfortunate exception of the first day washout, it was a historic and great experience. One downside in 2018 was that the flow of funding from ICC and Broadcasting Rights was much less than expected and this has delayed many of the plans Cricket Ireland has to put funding into game development across the country. Signs are more hopeful now in respect of the finances but I think it will be at least 2020 before we begin to see more funding work its way down to the Unions and ultimately the clubs.

In Munster itself, the most significant developments in 2018 were:

- The success of the Munster Reds and Munster Heat squads which are dealt with in detail in the representative cricket section of this report;
- The formation of the Youth Cricket Working Group, followed by the appointment of John Buss to the role of Youth and Coaching Coordinator, a position supported by Cricket Ireland. John's report confirms the extent of activity that was carried out across the youth cricket area in 2018 and this will be built on further in 2019; and
- The commencement of a Strategic Review process with the assistance of Maeve Buckley whose role is funded by Cricket Ireland. Maeve's role is twofold:
 - i. To work with us to adapt our governance structures to better suit our needs; and
 - ii. To assist us put implementation plans in place to enable us achieve the objectives set out in the Strategic Plan 2017-2010.

Related to this process, Cricket Ireland are working with the Unions on replacing the current Regional Development Officer roles with revised positions and the structuring of the development role for Munster will be part of the overall review that Maeve is assisting us with. I would like to place on record my appreciation of the work that Jim Doran has done over the past ten years in this area. He will be standing down from this role in the coming weeks. I hope that he will not be lost to Munster Cricket and will continue to be active in difference capacities in future.

Many people contribute to making cricket happen in Munster at club and Union level and I would like to put on record my appreciation for what they do. Two long serving members of the Executive, Chris Thomas and Kuros Mohammadi, stand down today and our thanks are due to them for their contribution over many years. I would like to congratulate Jack Russell on a successful first year as President and wish him well again for 2019.

CHAIRPERSON'S REPORT 2018 – CONTINUED

The challenges for Munster Cricket are many and varied but I do believe that we are moving in the right direction. If we continue to put in the work required over the next couple of years, we will achieve the growth in numbers and standards that we need.

David Griffin

Chairperson

3 December 2018

CONGRATULATIONS

Congratulations are extended to:

Ted Williamson and the Munster Reds squad on a successful second season in the T20 IP competition and on securing wins against North West Warriors and Leinster Lightning.

Aaron Cawley on his inclusion in the Irish squad for the U19 World Cup in January 2018. Aaron was the first Munster player to participate in a World Cup competition.

Cian Egerton on his selection for Ireland U15 in 2018 and inclusion in the current Ireland U17 squad.

Gerard O'Sullivan on umpiring his first List A match when he was one of the on the field umpires at the Mardyke when Munster Reds played Northern Knights.

Chris Thomas on receiving the Munster President's Award in recognition of his contributions to the Munster Executive and Youth Cricket in Munster over many years.

Limerick Cricket Club on reaching the National Cup Final, a first for any Munster Club, and to Mortaza Sidiqi who received a Cricket Ireland Awards nomination in the best male club player category.

Munster U15s who reached the Leinster U15A Cup Final.

CRICKET COMMITTEE REPORT

2018 was a busy season in Munster and, except at the start of the season, the mainly good weather ensured all competitions were completed with relatively few matches ending up as no results. In all, eleven competitions were completed in a season which saw a new Division 3 league established and T20 competitions held at each level.

The T20 competitions were very well received and proved popular among players at all levels. Twenty three teams participated in the league competitions and it is expected that the number of teams participating in 2019 will again increase.

Full details of the competition winners and league tables are included on pages 20 and 21.

The cricket committee spent significant time prior to the start of the season in revising and updating the playing regulations to take account of the new MCC laws and to deal with some deficiencies that had been encountered in the 2017 season. This exercise was largely successful but the committee will again look at where changes may be necessitated before the 2019 season commences. Indeed, some law changes will be coming through from the MCC following review of how some of the new laws worked in practice and such changes will be incorporated into the regulations as necessary.

Further disciplinary issues arose in 2018 which is regrettable. Gerard O'Sullivan acted as the Disciplinary Chairperson in 2018 and his group of volunteers has been dealing with the matters that arose. In cooperation with Cricket Ireland, work is ongoing to ensure that the approach to disciplinary matters is consistent across all the Unions. Social media usage guidelines were issued on the website and these will be reviewed again in light of experience in 2018.

Our thanks go to the members of the cricket committee for their hard work during 2018. In particular, we express our thanks to the Chairperson of the committee, Richard Rutland, and to the Fixtures Secretary, Joe O'Mahony, who put in a huge amount of work to overcome the weather disruption in April and early May and to reorganise fixtures to accommodate the extended Cup Runs of Limerick, Co Kerry and Co Galway in the National Cup.

FINANCIAL REPORT

The detailed accounts which will be presented to the Annual General Meeting by the Treasurer, Bryan O'Donnell, will show a manageable deficit for the year. Income mainly currently arises from two sources, club affiliation fees and annual funding of €7,500 from Cricket Ireland, and this constrains significantly what the Union can do. It is fully recognised that it is essential that Munster Cricket starts to generate income itself through sponsorship and other commercial partnerships. A start was made in 2018 with All Rounder Sports coming on board to sponsor Munster Reds and the Cups and Leagues. Thanks go to Kevin Galvin for his work bringing All Rounder on board and we hope to build on this in 2019. We would like to acknowledge the contribution to the Union in 2018 by two commercial partners – Carey Tool Hire and Elite Cuisine.

Club facility grant funding of €8,000 has been received from Cricket Ireland for 2016, 2017 and 2018. Grant allocations were processed by the Union and approved by Cricket Ireland for 2016/2017 and the clubs involved are in the process of drawing down these funds as the related projects proceed. Applications for the 2018 fund have been received from the clubs and will be assessed and approved before the end of this year.

Aside from the annual funding of €7,500 and the grant allocations noted above, Cricket Ireland also provide financial support which covers the following:

- Financing of Munster Reds participation in the T20 Interprovincial tournament;
- Payment of the salary and expense costs for our Development Officer;
- Contribution towards the cost of our Administrative Officer, Kevin Galvin;
- Funding to support the appointment of a Youth and Coaching Coordinator;
- Funding towards the cost of a consultant, Maeve Buckley, who is assisting us with the implementation of our Strategic Plan and review of our governance structures.

The monetary value of Cricket Ireland's support is in excess of €75,000 for which Munster Cricket is very grateful. It is hoped that increased levels of financial support can be sourced through Cricket Ireland as the benefits of full membership flow down to the domestic game but it is acknowledged that this will take some time to materialise.

REPRESENTATIVE CRICKET

Munster Reds

2018 saw the Munster Reds build significantly on the performances achieved in 2017 and the T20 Interprovincial series finished with a fine performance by the squad in the festival weekend in Pembroke where two wins were achieved in three matches. The final game of the festival was generally agreed to be the best T20 game in the competition and the result went down to the last ball before the Reds came out with a 2 run win over the champions, Leinster Lightning.

The 2018 season had got off to a slow start due to delays in the process of agreeing transfer of player terms among the Unions which delayed the finalisation of squads. The bad weather in Munster through April and May made practice impossible and indeed forced us to switch our opening game against Leinster Lightning from the Mardyke to Pembroke. All these factors contributed to a poor performance in that game but the squad played very well thereafter and, after competitive performances against the Warriors and Knights, the elusive first win was achieved in the opening festival match against the Warriors. The festival format helps the Reds by enabling us to get the squad together and thus build team spirit and work on our tactical approach. It looks like 2019 will see the T20s run in a festival format and it is expected that we will host a festival in the Mardyke in 2020.

The squad composition remains as agreed with Cricket Ireland in 2017 with a minimum of four Munster based players in the side in all matches. It is pleasing to note the inclusion of Stephen Doheny, David Delaney and Jack Tector in Irish Wolves and Ireland squads which enables us to demonstrate that the Reds side is assisting the Irish selectors identify and bring through new talent. In regard to the Munster players, the stand out performer was again Yacob Ali as demonstrated by the statistics following. Otherwise, the selection emphasis was on bringing young players with future prospects through to the side and so Ru Jones, Senan Jones, Diarmuid Carey, Cormac Hassett and Mortaza Sidiqi all featured in the squad. This emphasis will continue in 2019 and beyond.

Thanks are due to the Reds management team for their hard work in 2018 in getting the side to its current level:

Ted Williamson	Head Coach
David Griffin	Chairperson of Selectors
Jack Tector and Jeremy Benton	Captains/Selectors
Kevin Galvin	Team Admin Officer
Chris Thomas	Selector

The objectives for 2019 are to continue to win matches and to bring through more young Munster based players into the side.

REPRESENTATIVE CRICKET - CONTINUED

With Cricket Ireland High Performance Group setting demanding targets, a continuing high standard of performance is essential to enable us retain our status and to ensure that the Reds are the 4th team in the T50 competition when Cricket Ireland's finances permit the expansion of that competition – hopefully in 2020.

Munster Reds

Best Performers 2018

Batting	Matches	Innings	Not out	Runs	Highest	Average
S Doheny	6	6	1	193	64	38.60
O Gunning	3	3	-	96	53	32.00
RJ Forrest	5	5	-	116	36	23.20
M Sorensen	6	5	-	86	48	17.20

Bowling	Overs	Maidens	Runs	Wickets	Average	Best
Y Ali	24	-	169	12	14.08	4.29
D Delaney	15	1	104	5	20.80	2.30
J Benton	23.1	-	164	6	27.33	3.18
M Sorensen	23	-	229	5	45.80	1.29

Development Squad

The Munster Development side, “Munster Heat” was very active during the season and played the following fixtures:

29 May	Two T20 fixtures v MCC
June	Alan Murray Cup – 6 fixtures
25/26 July	Two 45 over fixtures v Leinster U17
22 August	50 over fixture v MCC
24 August	20 over fixture v MCC

These matches provided excellent experience for a strong cohort of players in the 16-22 years age bracket and to a number of other players on the fringes of the Munster Reds side. Thanks go to Ted Williamson who looked after the management of the side and to Jeremy Benton who captained the side in most of the matches that were played.

REPRESENTATIVE CRICKET - CONTINUED

The big development here was the participation in the Alan Murray Cup. Five matches were played in the group stages resulting in wins over Merrion and Terenure and a tie with Clontarf. Defeats to Phoenix and YMCA were by 4 and 2 runs respectively. This earned the squad a quarter final against Clontarf who were the eventual winners of the competition. This competition provided great experience for the sixteen players who were involved and thirteen of these were in the age-group from 16 to 22. In 2019, the side will fulfil a similar fixture list and, possibly, will also have games against the development teams in the other Unions.

YOUTH AND SCHOOLS CRICKET

1. Summary

In the report below I will summarise youth player activity across the province and beyond. This activity comprises a varied cohort of age & ability, across a range of formats and locations. I have, records allowing, tried to draw attention to notable performances whilst giving a true flavour of the current state of youth cricket in Munster.

My primary objective is to provide a base standard upon which, future activity can be measured against to identify and quantify output and outcomes.

2. Schools

For 2018, Munster provincial schools cricket & activity consisted of the Munster Senior Schools Championship and various schools training programs.

2.1 School Training Activity

This activity can be split into two types;

Club inspired and organised, such as for example the HCC run program for 1st level schools in the clubs catchment area prior to the 2018 season. Such like events, are the remit of the clubs and are presumably reported at the appropriate club AGM etc. (MYWG will try to quantify such club activity for the 2019 season.)

CI RDO programs. These events are reported on separately by the RDO. The most notable would be the Sexton's St project. (see below) It should be also noted that the current RDO regime is due to end shortly and future CI schools training is in current discussion.

2.2 MCU Senior Schools Championship

2018 saw the expansion of this reasonably successful and highly contested T20 event. Following on from the CI and RDO supported project, Sexton St CBS, Limerick joined the 5 Co. Cork based teams (Midleton College, Presentation Brothers, Christian Brothers, Cork Combined Schools, Bandon Grammar) in the 2018 Championship. Sadly this year's event was marred with unprecedented bad weather, which saw the 16 matches reduced to only 7 and CCS playing no matches at all.

The positives were that Bandon were able to facilitate playing 4 of the matches on a Hockey pitch, which kept the competition alive and the full participation of Sexton St (Managed by Lloyd Wolfe), who proved to be a source of new playing talent. The Championship was won by Bandon. Their success was founded on the opening batting of Liam Edwards & Jack Buss (both HCC) who had partnership competition stats of 310 runs and the bowling efforts of Daniel Kennedy (CCCC) & Jackson Gilbert (HCC) who took a combined 25 wickets.

YOUTH AND SCHOOLS CRICKET CONTINUED

Finally, attempts have been made to establish senior schools cricket in the autumn term with two outdoor T20's involving Bandon, Douglas CS, Presentation BC, Christian BC. Although not particularly successful in terms of the quality of competition during play, these matches did set a precedent for the future. In addition an indoor schools tournament has been floated but to date not actioned.

3. Representative

Representative cricket can be broken down into individual and team based activity.

3.1 Individual Representative

3.1.1 National

Seanan Jones (U17, HCC), Diarmuid Carey (U17, CCCC), Cian Egerton (U15, WDCC) & Luke O'Rielly (U15, HCC), Jamie Bryan (U13, LCC), all participated in the respective national Irish winter training squads at some stage. Cian was selected and played in six International matches with best performances of 43no and 5 overs 2 wkts for 10 runs.

3.1.2 Interprovincial

Seanan (Captained) & Diarmuid both played in the U17 interpros for Southern 11. This competition saw the introduction of a new format with three T20 matches added to the three 50 over games. During the week S11 won four of their six matches, with best performances of Seanan, 69, 38 and 3 for 34, 2 for 31. Diarmuid, 43 and 6 for 31, 3 for 11.

Cian & Luke played in the U15 interpros as part of the U15 Southern 11, which followed the new program as detailed above. S11 won two of the six matches with best performances for Cian of 43 and 2 for 15.

3.2 MCU Team Based

3.2.1 MCU15 – LCU15 A League & Cup

This season saw the continuation of the successful entry of an MCU team in the Leinster U15 club league & Cup. 20 players from 5 clubs participated in the four league and three cup matches, on a run to the final where MCU lost to Rush CC. Across the matches, there were notable performances with the bat by Eshan O'Sullivan (CCCC), Cian Egerton (WDCC), Jamie Bryan (LCC), Freddie Froggatt & Luke O'Rielly (HCC). With bowling, Cian, Luke, plus Kanish Kumar (HCC) feature. Mention to Eshan & Barry Vosloo (HCC) for keeping performances.

YOUTH AND SCHOOLS CRICKET CONTINUED

3.2.2 MCU/LCU 17 Series

The two matches took place in July and were hotly contested with LCU winning both. Sadly I have no stats.

3.2.3 MCU/LCU 15 Series

The three match series took place in August at Harlequins CC.

MCU won the T20 with some spirited batting and then an excellent performance in the field. The basis of a competitive 1st innings total being an 89 run partnership between Adam Hickey (45) & Jack Buss (39) (Both HCC). In the second innings, aggressive bowling by Luke O’Rielly (3 wkts, HCC) & Mike Higgins (2 wkts, HCC), assisted by Adam Hickey (2 wkts), Max Egan (1wkt, HCC), Shane O’Rielly (1wkt, HCC). Mention to Jack Buss for 2 catches and a run out.

The two following 45 over games were both lost with LCU spinners dominating both games. MCU showed some resistance at times but were ultimately outclassed. A mention to Daniel Kennedy (CCCC), Max, Mike, Luke & Adam for resilient bowling against an aggressive LCU batting lineup.

4. Participation

2018 saw most club youth sections grow with approximately 190 players registered across the province, a growth I would estimate of about 15% on 2017.

4.1 Minor Youth

Most activity at this entry level group was based around internal club training and ad hoc matches. Three organised interclub blitzes took place and a special mention to CCCC for a regular Saturday morning open softball based event.

4.2 Junior Youth

This cohort comprised the transition hard ball players (roughly U10 to 13) and is the current bulk, numbers wise of youth players in Munster. No formalised league took place but overall there were around 12 matches at this level across several formats from T15 to 30 overs. The highlight may well have been an innovative combined HCC/CCCC team v LCC.

YOUTH AND SCHOOLS CRICKET CONTINUED

4.3 Senior Youth

Most players in this group played the majority of their cricket in Adult teams. There were however a small number of interclub games between HCC & CCCC which highlight the fact of player numbers in Cork. Without doubt the highlight from the feedback of the players, was the drawn unlimited overs two day match between HCC & a CCCC team which featured players from Lismore and Limerick. From the first ball which was crashed to the boundary, to the last where the holding out batsmen were under intense pressure, surrounded by all 9 outfield players, the game was fiercely competitive and riveting for the spectators. Not many youth matches feature between innings pitch rolling, declarations and a team avoiding the follow on.

4.4 Adult Competition

The majority of competitive youth cricket takes place within the MCU adult & Cork T20 competitions. I would estimate that across Munster Youth, game participation was up more than 30% this season due to following this successful route.

The notable points were HCC introducing a 4th team which comprised a normal ratio of 9 youth to 2 adults. In addition the successful Hurricanes youth team nearly fought through to the CT20 final with no adult players. Mention to CCCC who followed a similar process with a youth/adult Strykers CT20 team and a policy of promoting youth with the adult teams. This was mirrored across the smaller youth sections in the province.

The CRICHQ leader boards show that;

For batting 8 youth players featured in the top fifty. 14 players in the top hundred. Six youth players scored more than 300 runs and 16 more than a 100 runs in adult competitions.

For bowling it is a similar picture with 8 in the top fifty & 14 in top hundred. In terms of wickets taken, there are four youth who took 20 plus and eleven who took 10 plus.

In terms of CricHQ MVP the influence of youth across Munster adults games is even more significant with youth making up 20% of the top fifty players.

5. Training

This October saw the start of a Munster Youth ten week winter training program at Little Island. Currently 43 players have joined the program from 4 clubs and covers U11, 13 & 15 age groups.

YOUTH AND SCHOOLS CRICKET CONTINUED

6. Working Group

In 2018 the Munster Youth Working Group was formed. Currently we are formulating policies and programs on developing youth matches and increasing participation, with currently much input to the CI review of the MCU.

7. Conclusion

Overall 2018 saw a lot of youth activity, which I would estimate to have been an increase of about 10 to 20% of total activity which took place in 2017. Youth sections are growing at clubs across the province but realistically we are not yet at the critical mass in terms of numbers to support competitive province wide underage leagues. The majority of competitive youth activity takes place within adult competitions and outside of interclub youth matches.

The MYWG needs to address this and think of policies and actions to support youth section growth, develop peer to peer competition, whilst supporting and pushing youth involvement in Adult competitions.

John Buss

Munster Youth Co-Ordinator

22/11/2018

DEVELOPMENT OFFICER REPORT

RDO for Munster: Summary of 2018 work as at November 20th 2018

NB: To be read in conjunction with 2018 Participation Figures document

Participation – National Schools (as at November 20th 2018)

177 sessions have been delivered to a total of 1849 boys (16% increase on 2017) and 1125 girls (5% increase on 2017) in 24 national schools across 4 counties. A number of these sessions were delivered [i] under the ‘Healthy Ireland’ (HI) initiative in conjunction with Cork Sports Partnership; [ii] as part of the Active Flag programme.

5 of these schools were new to cricket.

Mini-Tournaments have been hosted by Cork County (5 schools involved); Co. Kerry CC for the first time (2 schools involved) and Waterford District (3 schools involved).

School to Club link days were held at Cork County CC, Limerick CC and Waterford District CC.

Participation – Secondary Schools (as at November 20th 2018)

Co-ordinated running of the Munster Schools T20 Cup with 5 schools participating including for the first time a team from Sexton St. CBS Limerick.

Facilitated 1 session at Rockwell College (19 boys participating); 1 session at St. Michael’s College, Listowel (54 boys participating); 1 session at Villiers School, Limerick (8 boys participating).

Under the Women in Sport (**WIS**) delivered [i] 6 sessions at Laurel Hill Colaiste (54 girls participating); [ii] 12 sessions at Presentation Secondary, Waterford (69 girls participating)

DEVELOPMENT OFFICER REPORT CONTINUED

Cricket Ireland- specific other work

- 3 days with the event management team at Malahide for Pakistan Test match in May
- 9 days as the event manager team for the Ireland .v. Bangladesh Women's T20 series in June/July
- 3 days with the event management team for the Ireland Wolves .v. Bangladesh A T 20 series in August
- Compilation of 2018 ICC Survey Participation; Competition; Facility and Coach numbers data for MCU-area
- Drafting of quarterly workplans for Participation Director/MCU
- Update of School to Club link documentation
- Update of Schools' database
- Liaison with Active Flag organisation
- Preparation, attendance and follow-up for meeting with CI PD, Elaine Nolan, in January
- Preparation, attendance and follow-up for 6 meetings with MCU Chairman
- Generation and publication of tweets and photos on RDO activity
- Maintaining photographic archive of RDO activity
- Drafted proposals for Women in Sport (WIS) initiative 2017

MCU- specific other work

- Co-ordinated first two meetings of MYWG
- Attended WDCC youth session in July
- Attended Lismore/WDCC XI .v. Cork XI match in September
- Attended WDCC .v. Cork County U13 match in July
- Ran kids' participation event at Cork County youth event in August
- Table cricket demonstration at Cork Sportsability event
- Delivery of CSP/MCU/CI cricket sets to 8 schools
- Delivery of cricket workshop for WSP
- Review of draft terms of Reference for Munster Youth Co-ordinator
- Compiled end-of-year RDO report
