

Cricket Ireland Safeguarding Statement

Cricket Ireland provides sporting activities and opportunities for children and young people through participation in clubs, county, regional events and with our representative teams. Cricket Ireland is committed to safeguarding children and young people. All our affiliated clubs work under the guidance and policies of our Safeguarding Code. All our volunteers and staff working with children throughout the organisation, seek to create a safe environment for children and young people to participate in athletics.

The Safeguarding Risk Assessment indicates the areas of potential risk of harm, the likelihood of the risk occurring, and gives the required policy, guidance or process documents required to alleviate these risks. The list of risks identified are contained in the following categories: Club and Coaching Practices; Complaints & Disciplinary; Reporting Procedures; Use of Facilities; Recruitment; Communications; and General Risk of Harm.

The Child Safeguarding Statement has been developed in line with requirements under the Children First Act 2015, (the Children First: National Guidance and Tusla's Child Safeguarding: A Guide for Policy, Procedure and Practice). In addition to our Risk Assessment document described above, there are further procedures that support our intention to safeguard children while they are availing of our services.
