

## **Spectator code of conduct & Rapid Lateral Flow / Antigen Testing Advice:**

Prior to being admitted to any of the Ireland Cricket matches, Spectators will be required to read and agree to a Code of Conduct and any updated venue regulations.

The Code of Conduct includes details on key behaviour expected of Spectators while attending the matches such as:

- Physical distancing
- Personal hygiene and etiquette
- Respect for other Spectators
- The use of face coverings when circulating/arriving/leaving the outdoor area

A person purchasing multiple tickets will be expected to forward the rules to all those attending the event with them. Non-compliance with the Code of Conduct may lead to expulsion from the ground and/or prevention of attending future events.

All Spectators are required to **download the HSE/STOP COVID NI Tracker App**.

***All Spectators must adhere to the following Code of Conduct when attending an Ireland Cricket match during COVID-19:***

- Do not attend the event if you are experiencing symptoms of COVID-19, are a close contact of a COVID-19 case, or have travelled from outside the green list countries in the last 14 days.
- It is your responsibility to personally assess your ability to attend if you might be considered a vulnerable person.
- Be aware that the contact information given at ticket purchase and your seating area will be kept for up to 14 days to facilitate contact tracing.
- Download and install the HSE/STOP COVID NI Contact Tracing App prior to arrival.
- Make sure in advance that you are sure where your entry point to the ground is.
- Be aware that public transport may be operating at reduced capacity. Please walk or cycle to the grounds where possible.
- Proceed directly to the event and home afterwards. Limitations on local amenities, restaurants, and bars, may mean they are not in a position to facilitate pre or post-event patrons.
- Please practice physical distancing and hygiene while travelling to and from the venue. Please have respect for the areas surrounding the venue, including local businesses and residents.
- Arrive in good time to allow the necessary check and procedures.
- Please follow the directions of the stewards and any signage provided.
- Please be respectful to staff & stewards. Verbal abuse will not be tolerated.
- Observe physical distancing at all times and in all parts of the ground.
- Avoid contact with others who are not in your social bubble.
- Please proceed to your allocated seating area and remain there until exiting unless using the amenities such as toilets or food and beverage concessions.
- Be aware that requirements for physical distancing and reduced facilities may lead to increased queuing times for amenities.

- When moving past others in a seated area, please avoid face-to-face contact with other Spectators.
- Maintain good hygiene. Wash your hands frequently or use the hand sanitiser dispensers provided
- Avoid touching your face whenever possible.
- Please observe respiratory etiquette – always cover your mouth if needing to cough or sneeze.
- Refrain from hugging, high fives, or any close contact with people who are not within your social bubble.
- If you are attending with other members of your social bubble, please make sure they have read and understood these guidelines.
- Failure to follow these rules may lead to a denial of entry or expulsion from the ground.

## **Guidance before attending a large gathering in Northern Ireland**

### **Bready CC & Stormont Cricket Ground**

It is recommended that anyone attending the event, which may will bring them into close proximity with other people from outside their existing bubble, should Rapid Lateral Flow Test themselves before they attend, and on days 2 and 8 after the event.

This test should be done no more than 24 hours in advance of attending an event, and on days 2 and 8 following the event.

It is important to remember that, even with a negative LFD test, you should not change your behaviours and must continue to follow all other public health and safety measures in place.

The purpose of this testing is to identify any positive cases in advance of the event and allow them to self-isolate.

Post event testing will also help to identify any asymptomatic COVID-19 infections arising from the event, or social interactions that may occur before or after an event.

### **How to access testing if you are a resident in NI**

Rapid COVID-19 tests can be obtained by anyone who requires them, free of charge. Rapid test packs can be ordered online for free delivery to your home. <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>
